SUBJECT: PROMISING PRACTICES WEB SITE

A new feature has been added to the Employment Development Department's workforce development promising practices Web site. A Web page has been added to post requests that we receive for promising practices under a specific topic. We invite you to visit the Web site to see what's new and what topics are being requested. If you have a topic to add click on "[Help Needed](#)" in the left side bar and send us your entry. If you have promising practices to tell us about under the "[Requested Topics](#)," we encourage you to send in your promising practices to share with other local practitioners.

Thanks to all who have submitted promising practices. Your time and effort is truly appreciated. If you have any questions or comments regarding the promising practices Web site, send them to [wdforum@edd.ca.gov](mailto:wdforum@edd.ca.gov).
